## Labour Protection Plan

**Includes a comprehensive service**

**Ultra-Care 2** is a labour protection plan. The protection plan covers labour for carrying out electrical and mechanical repairs on oil and gas boilers up to 40 kW.

**Ultra-Care 2** includes a full annual service which is carried out to the manufacturer's specification by fully qualified, fully insured **Gas Safe** and **OFTEC** registered engineers.

All equipment details will be entered into our database and when it's time for your annual service we will contact you to arrange a convenient time to call. This service is extremely helpful with customers requiring **Landlord Gas Safety Certificates** for rented properties.

**What's Covered?** All labour involved in replacing any defective component within the boiler plus:

- Programmer or Time Clock
- Room Thermostat
- Zone Valve or Mid-position Valve
- Domestic Heating Circulating Pump

*See terms and conditions regarding Ultra Care 2 protection plan.*

**Ultra-Care 2** covers up to a maximum of £700.00 of labour costs per year, inclusive of VAT.

**There is an Excess Charge with this protection plan of £50.00 plus VAT, per reported fault.**

A full service will be required before issuing an **Ultra-Care 2** protection plan.

**Ultra-Care 2** certificate of cover will be issued complete with our 'out of hours' telephone number, for use in the event of emergencies.

Costs can be spread over a 12-month period by paying by direct debit, although a small 5% administration charge will be added.
