

# Boiler Protection Plans Ultra-Care 3

Ultra-Care  
3

## Materials & Labour Protection Plan

**Includes a comprehensive service**

**Ultra-Care 3** is a labour and materials boiler protection plan. It covers all electrical and mechanical faults on oil and gas boilers up to 40 kW.

**Ultra-Care 3** includes a full annual service which is carried out to the manufacturer's specification by fully qualified, fully insured **Gas Safe** and **OFTEC** registered engineers.

All equipment details will be entered into our database and when it's time for your annual service we will contact you to arrange a convenient time to call. This service is extremely helpful with customers requiring **Landlord Gas Safety Certificates** for rented properties.

**What's Covered?** The replacement of the following:

- Heating circulating pump
- Time clock or programmer
- Hot water thermostat
- Boiler thermostat
- PCB board
- Fan motor
- Burner motor
- Oil pump
- Ignition transformer
- Ignition electrodes
- Electronic or hard-wired room thermostat
- Mid position valve or zone valves

*See terms and conditions regarding Ultra Care 3 protection plan.*

**Ultra-Care 3** covers up to a maximum of £800.00 of materials and labour per year, inclusive of VAT.

**There is an Excess Charge with this protection plan of £50.00 plus VAT, per reported fault.**

A full service will be required before issuing an **Ultra-Care 3** protection plan.

**Ultra-Care 3** certificate will be issued complete with our 'out of hours' telephone number, for use in the case of emergencies. Boilers 10 years old or more cannot be covered due to possible components being obsolete.

Costs can be spread over a 12-month period by paying by direct debit, although a small 5% administration cost will be added.
